Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation is transmitting Amendment Number 3 to the California 2008/09 – 2011/12 Federal Statewide Transportation Improvement Program (FSTIP) for your approval. This amendment adds the economic recovery funds to the revenue section of the financial tables for the rural, non-Metropolitan Planning Organization portion of the state. No projects have been programmed against these funds in this amendment. The additional revenue is shown as Economic Recovery funds and is included in both the Federal Transit and the Federal Highway Non-Discretionary sections of the financial tables in Fiscal Year 2008/09. The Federal Transit amount is \$5,700,000, and the Federal Highway Non-Discretionary amount is \$365,000,000.

I am recommending that the Federal Highway Administration and the Federal Transit Administration approve this Federal Transportation Improvement Program Amendment Number 3 for inclusion into California's 2009 FSTIP.

Please address any questions on this FSTIP approval request to Penny Gray, of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in purple ink, appearing to read "Rachel Falsetti".
